Forecast for Thursday 01 Jul 2021

Weather: Dry throughout the day with some sunshine, some high cloud around. A risk of some low cloud spreading in from the sea in the evening across eastern ranges but low confidence in this aspect.

Chance of cloud free mountain/hill tops above 700m: 80%

Visibility: Ranges expected to be cloud free for much of the day, a risk of some low cloud lapping onto the lower slopes in the east in the evening. Air clarity may be rather hazy
